

ON MISSION FOR THE CHURCH ALIVE

Another Suggested Model for Consideration:

Parish Z - 2 Campuses

- **St. Cecilia, Rochester**
 - **St. Felix, Freedom**
 - **Our Lady of Peace, Conway**
 - **Holy Family, New Brighton**
 - **SS. Peter and Paul, Beaver**
 - **1 Pastor**
 - **1 Parochial Vicar**
 - **1 Priest Chaplain**
 - **4 LEMs**
 - **40,000 total population (verify)**
 - **2,400 weekly Mass goers**
-
- Travel time for both parishioners and clergy is minimized (in comparison to the other models).
 - Participation in events held at various campuses would thereby be stronger.
 - All the parishes involved are currently financially solvent.
 - The culture (lifestyle, economic status, education level, etc.) of this new model is fairly consistent throughout.
 - Transportation for Seniors to come to church is far easier.
 - McGuire Memorial and the Felician Sisters are deeply involved in the parishes and in the area.
 - The Capuchins as well have over one hundred years of ministry in this area.
 - Many parishioners in these parishes currently visit the other parishes listed for Mass and other activities.
